DETAILED ACTION

Receipt of applicants' amendments and remarks submitted March 24, 2005 is acknowledged.

The amendments and remarks are persuasive to overcome the rejections set forth in the office action mailed November 5, 2002 and the new matter issues raised during the telephonic interview on March 18, 2004.

Claim Objections

1. Claims 3-16 and 20 are objected to because of the following informalities: All the new claims not presented in the issued patent should be presented with underline through out the claims. See MPEM 1453. Appropriate correction is required.

Claim Rejections under 35 U.S.C. 251

2. The reissue oath/declaration filed with this application is defective (see 37 CFR 1.175 and MPEP § 1414) because of the following: the declaration does not cover all errors corrected in the amendments submitted March 24, 2005.

3. Claims 3-16 and 20 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the declaration is set forth in the discussion above in this Office action.

Note a supplemental declaration may be signed either by the applicants, or by the assignee since the claims herein reduce the scope of claimed invention.

Art Unit: 1617

4. Applicant's submission of amendments on March 24, 2005 prompted the new ground(s) of rejection under 35 U.S.C. 251 presented in this Office action. Accordingly, THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
